WINNIPEG CHINESE CULTURAL AND COMMUNITY CENTRE

PROFILE

Winnipeg is a city of many cultures of which the Chinese community has always been an integral and significant part. Over the last few decades, as the number of Chinese immigrants increased, so has the need for redeveloping Winnipeg's Chinatown.

In 1981, the redevelopment became a reality with the support of the three levels of government through the Winnipeg Core Area Initiative and the Chinese community itself. The Winnipeg Chinatown Corporation was established in 1981, and in 1983 the Winnipeg Chinese Cultural and Community Centre was incorporated as part the overall development project in response to a survey conducted in 1982 wherein 90% of the Chinese in Winnipeg indicated a need for such a facility.

OBJECTIVES

- ❖ To promote and advance the awareness, knowledge and appreciation of the Chinese culture in relation to the multi-cultural mosaic of Winnipeg, Manitoba and Canada.
- ❖ To increase understanding between the various Chinese and non-Chinese organizations in Manitoba.
- ❖ To encourage public understanding of matters relating to the affairs of the Chinese Community.
- ❖ To provide facilities for educational, cultural and recreational purposes.

PRESIDENT'S REPORT

This is an auspicious year for the Winnipeg Chinese Cultural Centre in that it marks the twentieth anniversary its opening. During those twenty years we have worked hard to promote Chinese culture in Manitoba and provide services to the community. Looking back we have had a great deal of success and the last year was no exception.

In addition to our regular programs, we have been involved in a number of important initiatives. Among these is a proposal for a major new development in Winnipeg Chinatown area. Working in partnership with a private developer, the City of Winnipeg and the Provincial government, we hope to be able to finalize plans for a multi use building on a prime piece of vacant land in the area which would include both residential and commercial space. I am hopeful we will have some exciting news to announce in the near future.

We have also begun to work with the Provincial Immigration Department about developing a program to facilitate immigration by qualified individuals from China. This project would parallel similar initiatives by other groups in Winnipeg including the Jewish community. When I was in China last December I had the opportunity to meet with a number of potential immigrants and we are working with the Provincial officials to follow up on this. We see this as a great opportunity to bring immigrants to Manitoba from China that will both strengthen this province and provide opportunity to the individuals who come here.

During August we again hosted the Chinese pavilion as part of Winnipeg's Folklorama. As in past years, ours was one of the most popular destinations. We plan to host the pavilion again this summer.

The upcoming year also looks to be busy. Among the events we are planning to celebrate the Cultural Centre's anniversary that is a major national conference of Chinese Canadians to be held here in September. We are expecting delegates from all across Canada and will meet over several days to discuss issues of current concern.

The fall of 2003 will also see our biannual Golden Dragon Dinner, a major fundraising dinner for the Chinese Cultural Centre. This year will be honouring Eموke Szathmáry, President of the University of Manitoba, and Dr. Hermann Lee, a prominent member of Winnipeg's Chinese Canadian community. We are already working hard to ensure a successful event to celebrate the contributions of these two distinguished Manitobans.

This year saw the departure from our board of directors of Justice Scott Wright who has served with distinction for many years. The good news is that Scott has agreed to serve on our advisory board, so we will continue to benefit from this wisdom and friendship. I would also like to take this opportunity to thank the two directors who will be leaving our board and to welcome the two new directors we have joining us at this time.

Last but not least it was agreed by the board that the Friday night Bingo should be terminated by the end of March 2003. Due to declining attendance and lack of staff we could no longer

compete with government runned bingos. I would like to take this opportunity to thank the dedicated board members, staff and volunteers who spent every Friday nights for so many years to maintain a source of income for the Centre.

Since its establishment, the Centre has served as a cultural focus for Winnipeg's Chinese Community and has been an important addition to Manitoba's diverse mosaic. I am confident we can continue to do this for the next twenty years. We are continuing to work on providing a range of services to promote Chinese culture and improve our community. We are fortunate to have a dedicated group of directors, staff members and volunteers that make it all happen. Once, again I would like to thank them all for their support and hard work in continuing to make the Cultural Centre an important part of our community.

EXECUTIVE DIRECTOR'S REPORT

The past fiscal year 2002-2003 was full of activities and events, through which the Winnipeg Chinese Cultural and Community Centre has contributed herself to the mosaic society of Canada. It has rewarded me a lot of delightful memories and precious experiences.

In year 2002-2003 the Centre has been providing a variety of programs and activities to benefit people of all age in our community. The Centre organized and sponsored the basketball Tournament for youth and young adults; offered Senior Programs for Chinese immigrant seniors to diversify their daily life; co-hosted health care sessions for women with the Manitoba Chinese Women Health Association by offering health information and services. Our enclosed program reports show more detailed information.

As we have done in the past several years, the Centre provided numerous drop-in services to our members and the others, especially new Chinese immigrants, who need information, support and help to adjust and adapt their lives to the Canadian society. We also carried out several kinds of services to our community, such as, English and Chinese interpretations and translations as needed, income tax services for low-income families, and so on. We will continue our services and try our best to serve our members, clients and community.

The Centre has been active in cultural events to promote culture communication between China and Canada. The Henan-Manitoba Cultural Event took place at the Centre, showcasing Chinese traditional culture; Photo-sketch in Tibet by Wang Jialing and Watercolors Painting by Liu Mingming were exhibited at the Centre, demonstrating special and beautiful landscape in China. In addition, the Centre organized and supported a number of other successful activities such as Taiwan Goodwill Mission Performance, and built a strong working relationship among the local Chinese communities.

Not only in Chinese communities, the Centre has also vigorously taken part in many other social activities in mainstream society. One of the major highlights was the Folklorama – Chinese Pavilion that has been successfully operated by the Centre. Moreover, the Centre has hosted Canada Day Celebration and a reception of the Citizenship Ceremony at the International Centre, etc.

I thank Dr. Joseph Du, the Centre's president, and the Board of Directors, for their energized leadership and continuous support, which has been our invaluable encouragement.

I also would like to thank our staff for their endeavor and hard working. My thanks also go to our volunteers and members for their tremendous contribution and devotion. Furthermore, I am greatly grateful to our funders and donors. Without them, the Centre would not exist.

Respectfully submitted by Lan Doan

FOLKLORAMA2002 - CHINESE PAVILION
Spreading the "Dragon Seeds"
文化中心舉辦民風節中國館展示盛大成功

Folklorama is referred as the festival of Nation. It is a festival truly representative of one nation of Canada. Through food, entertainment, and cultural displays, Winnipeg Folklorama presents one of the best multicultural events that Canada has to offer.

The Winnipeg Chinese Cultural and Community Centre has been a key participant of the Folklorama festival. Each year since 1997, we invite the Chinese Youth performing troupe from China to perform Chinese folk arts dance and music at the Chinese Pavilion. This year, the Beijing Golden Sail Art Youth Performing Troupe 北京金帆藝術團 from China had put on show that made the audience cheering and chanting. With the theme "dragon Seeds" to elegantly present the Chinese culture, the Chinese Pavilion has been one of the most popular pavilions during this magnificent multicultural event.

The concrete result of this project has been enormous since it attracts over 10,000 visitors of different races to enjoy and appreciate the Chinese culture annually during this one week event. Furthermore, it also attracts over 700 volunteers to work in harmony and tirelessly at the Pavilion.

Due to the heavy commitment of many other projects such as the "National conference of the National Congress of Chinese Canadians 全加華人聯會第 12 屆年會" and the Golden Gala fund raising dinner 金龍宴 to be held this year, the WCCCC will not host a Chinese Pavilion at Folklorama this year. However, we will be back in action in 2004.

2002-2003 ANNUAL REPORT OF WOMEN'S PROGRAM

The women's program has been launched for the fifth year. It's my pleasure to report the functions of the women's program during last year.

1. April 07/02 Seminar about How to Communication with People with Hearing Difficulties was held at WCCCC by Maria Lip. 21 people attended.
2. May 12/02 Mother's day---games, riddles, and potluck party. 28 people attended.
3. July 27/02 Health talk by Maria Lip-Causes and Prevention of Anemia was held at WCCCC. There were 27 people attended. Anemia is fairly common among the senior group.
4. October 06/02 Seminar about Updated Information on Diabetes Mellitus; blood glucose and blood pressure monitoring were conducted by Maria Lip. 24 people attended the seminar and workshop.
5. December 15/02 Christmas Party with members and their spouses.
6. January 12/03 Celebration of Chinese New Year at Grand Garden Restaurant. We shared our health experience and enjoyed a good evening together.
7. March 09/03 International Women's day---Introduce the Home Care Service to Seniors and how to access to the program. The workshop was held at WCCCC by Maria Lip.

Since these years, our members not only has been more aware of their health, but also became support-providers. They made hospital visits to member, helped senior who needs hearing aids; made meals for seniors who have Alzheimer from time to time.

According to the recent Dr David Lai's survey, local Chinese seniors are not used to the home care service as compared with the local Canadian seniors. We held a follow-up workshop to increase the awareness about home care program services available to seniors in Winnipeg.

For winter months with severe weather, we are considering to move the workshop venue to the senior apartment in the coming winter in order to facilitate the participation of our members.

Finally, I would like to thank WCCCC for supporting us to carry on our mission---to provide support and information about health to Chinese women and their families in order to achieve better quality of life. Special thanks are given to Dr Du, Lan Doan, Grace Wong, Tiffany Chan and the staffs of WCCCC and all the volunteers.

ENGLISH FOR SENIORS PROGRAMME 2002 – 2003

The Winnipeg Chinese Cultural and Community Centre (WCCCC) supports the very successful English as a Second Language (English for Seniors) Programme run by Age and Opportunity (A&O). This ESL programme is designed to help people who are fifty-five years of age and above and who are formerly from overseas, but are now Canadian Residents, to integrate into our multilingual and multicultural society. By learning one of Canada's two official languages these students are able to take advantage of the many social services available to aid Senior Citizens as they become in need of support. Without speaking one of the official languages, such Senior Citizens find it very difficult to find out what social services are available to them.

There are three (3) classes supported by the WCCCC and run at the three (3) A&O Senior Centres:

1. **Smith Street Senior Centre: 185, Smith Street in Downtown Winnipeg.**
At this Centre, during the fiscal year 2002-2003, a Beginner/Intermediate class was run. Shan Shan Wang teaches a class average of sixteen (16) Beginner/Intermediate students on Tuesdays and Fridays.
2. **Norwin 55 + Active Living Centre: 472 Selkirk Avenue (Selkirk Avenue Senior Centre).**
At this Centre, during the fiscal year 2002-2003 a Beginner/Intermediate class was run. Theresa Dong teaches a class average of some eighteen (18) Beginner/Intermediate students on Tuesdays and Thursdays.
3. **Age and Opportunity Head Office, 200-283 Portage Avenue.**
At this location, during the fiscal year 2002-2003, an advanced class was conducted on Tuesdays and Fridays.
Shannon MacFarlane teaches a class average of ten (10) students.

All students enjoy a variety of activities. These include visiting speakers representing a variety of interests such as talks by the Winnipeg Police, Fire and Paramedic Services, Citizenship and Immigration Services etc. Practical lessons are conducted in English outside the classroom in such topics as travelling on Public Transport, shopping in supermarkets and visiting public buildings. Such lessons encourage students to meet people in situations they are likely to encounter in their daily lives. This helps them integrate into society as a whole. It also encourages them to use their newly acquired language skills whereby they learn more about Canada, make new friends and enjoy an enhanced quality of life. Of the some forty-five (45) students in the three Centres, most have come from China and Vietnam but are joined by students from Russia, Eastern Europe and the Middle East.

AUDITORS' REPORT

To the Members of
Winnipeg Chinese Cultural and Community Centre Corporation

We have audited the statement of financial position of Winnipeg Chinese Cultural and Community Centre Corporation as at March 31, 2002 and the statements of changes in fund balances, operations and cash flows for the year then ended. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the corporation derives revenue from fund-raising activities and donations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues and expenditures was limited to the amounts recorded in the records of the corporation and we were not able to determine whether any adjustments might be necessary to fund-raising revenue, expenditures, donation revenue, excess of revenues, assets and fund balances.

In our opinion, except for the effect of any adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the fund-raising and donation revenue referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the company as at March 31, 2002 and the results of its operations and the changes in its cash flows for the year then ended, in accordance with Canadian generally accepted accounting principles.

CENTRE CORPORATION**

**NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2002**

1. NATURE OF THE ORGANIZATION

The corporation is a non-profit, non-partisan and non-sectarian entity incorporated under The Corporations Act of Manitoba. It is a registered charity within the meaning of the Income Tax Act and is therefore exempt from income taxes and may issue income tax receipts to donors.

The purpose of the corporation is to promote and advance the knowledge and appreciation of Chinese culture in relation to the multicultural mosaic of Manitoba and Canada; to construct, hold, manage, provide and maintain a cultural centre; to increase understanding between Chinese organizations in Manitoba; to encourage public understanding of matters relating to the affairs of the Chinese community.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the corporation have been prepared in accordance with Canadian generally accepted accounting principles. Because a precise determination of many assets and liabilities is dependent upon future events, the preparation of financial statements for a period necessarily involves the use of estimates which have been made using careful judgement. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

(a) Fund Accounting

These financial statements were prepared using the accrual basis of accounting.

The corporation follows the deferral method of accounting for contributions.

Revenues and expenses related to program delivery and administrative activities are reported in the Operating Fund.

The Capital Fund reports the assets, liabilities, revenues and expenses related to the organization's capital assets and building expansion campaign.

(b) Temporary Investments

Temporary investments are stated at the lower of cost and market value.

(c) Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is generally determined on a first-in, first-out basis.

**WINNIPEG CHINESE CULTURAL AND COMMUNITY
CENTRE CORPORATION**

**NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2002**

2. SIGNIFICANT ACCOUNTING POLICIES, continued

(d) Capital Assets

Donated capital assets are recorded at fair market value. Purchased capital assets are stated at cost. The capital assets are amortized over their estimated useful life using the declining balance method as follows:

Building and building improvements	5%
Computer equipment	30%
Equipment under capital lease	10%
Furniture, fixtures and equipment	10%
Leasehold improvements	10%

Amortization is recorded in the Capital Fund.

(e) Deferred Grants

The deferred grants were received during 1987 to 1990 for the construction of the Cultural Centre. These grants are being amortized into revenue on the same basis that the amortization of the building is being charged to expenses; that is, on the declining balance method at a rate of 5% per annum.

(f) Revenue Recognition

Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

(g) Contributed Materials and Services

Contributed materials which are used in the normal course of the corporation's operation and would otherwise have been purchased, are recorded at their fair value at the date of contribution if fair value can be reasonably estimated. Volunteers contribute a significant number of hours annually to assist the corporation in carrying out its service delivery activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

He indicated that the exhibition had been a joint effort with the Jewish and Japanese communities in Winnipeg and had been a great success.

The Chairman told the meeting that the Corporation had again helped sponsor a Chinese New Year's Banquet at which more than 350 attended.

He also advised that the Fringe Festival would again be using the Cultural Centre as a venue after a year's absence. He said that the Corporation would also be hosting a

Mr. Joseph Yuen asked whether the Corporation had been seeking someone to replace the late Senator Gil Molgat as Honourary Chairman of the Corporation. He said the Corporation would continue to look for someone appropriate.
