WINNIPEG CHINESE CULTURAL AND COMMUNITY CENTRE

PROFILE

Winnipeg is a city of many cultures of which the Chinese community has always been an integral and significant part. Over the last few decades, as the number of Chinese immigrants increased, so has the need for redeveloping Winnipeg's Chinatown.

In 1981, the redevelopment became a reality with the support of the three levels of government through the Winnipeg Core Area Initiative and the Chinese community itself. The Winnipeg Chinatown Corporation was established in 1981, and in 1983 the Winnipeg Chinese Cultural and Community Centre was incorporated as part the overall development project in response to a survey conducted in 1982 wherein 90% of the Chinese in Winnipeg indicated a need for such a facility.

OBJECTIVES

- To promote and advance the awareness, knowledge and appreciation of the Chinese culture in relation to the multi-cultural mosaic of Winnipeg, Manitoba and Canada.
- To increase understanding between the various Chinese and non-Chinese organizations in Manitoba.
- To encourage public understanding of matters relating to the affairs of the Chinese Community.
- To provide facilities for educational, cultural and recreational purposes.

PRESIDENT'S REPORT

The past year has been a particularly noteworthy year for the Winnipeg Chinese Cultural and Community Centre Corporation. First and foremost, 2003 marked the twentieth anniversary of the opening of the Chinese Cultural Centre. We marked the celebration in a number of ways, including holding the Twelfth Annual General Meeting of the National Congress of Chinese Canadians at the Cultural Centre in September. Delegates attended from all across Canada and met over several days to discuss issues of current concern. The highlights were the discussions as to how to redress the wrongs from the Chinese Exclusion Act and the Head Tax and the exciting new Canadian Human Rights Museum being planned for Winnipeg, an initiative that is being spearheaded by the Asper Foundation. We are looking forward to working with the Foundation in the New Year as plans move forward.

As part of the Conference The Honourable Peter Liba, Lieutenant Governor of Manitoba, hosted a reception for delegates at Government House. This was a gracious gesture that was appreciated by all of the delegates.

During the summer of 2003 we received a gift from the Government of China of a statue of a soldier and his horse which is now proudly on display at the Cultural Centre. We are most grateful to the Chinese government for this generous gift.

In November, 2003 we held our biannual Golden Dragon Dinner, a major fundraising dinner for the Chinese Cultural Centre. We honoured Dr. Eموke Szathmáry, President of the University of Manitoba, and Dr. Herman Lee, a prominent member of Winnipeg's Chinese Canadian community at that dinner and last year's event was by far our most successful.

We continue to move forward on our proposal for a major new development in Winnipeg Chinatown area. Working in partnership with a private developer, the City of Winnipeg and the Provincial government, we hope to be able to finalize plans for a multi use building on a prime piece of vacant land in the area which would include both residential and commercial space.

In January we held our annual Chinese New Year's banquet to celebrate the Year of the Monkey. This dinner was our most successful to date with approximately 600 people attending.

In January we held our annual Chinese New Year' s banquet to celebrate the Year of the Monkey. This dinner was our most successful to date with approximately 600 people attending.

The upcoming year looks to be as eventful as the last. We are proud to be involved in the organization of a fund raising dinner that will be held for the benefit of the St. Boniface Hospital Foundation to honour two of the hospital' s directors including Mr. George Campbell. Mr. Campbell is a distinguished member of the aboriginal community who has achieved much already in his life and is a most worthy recipient. We are proud to be associated with this project and are very pleased that Mr. Campbell could join us tonight.

We have two other projects on our agenda for the forthcoming year, which I would like to mention. The first is a book we are planning which will tell the stories of ten prominent Manitobans who are first generation immigrants to Canada. The people will be drawn from a number of different backgrounds, including the East Indian, Filipino, Jewish and Chinese communities. The second is a new endowment fund for the Chinese Community that we are in the initial stages of setting up in partnership with the Winnipeg Foundation. The fund will be a charitable foundation which will be administered by the Winnipeg Foundation for the benefit of the Chinese Canadian community in Manitoba.

Finally, this upcoming August we will again host the Chinese pavilion as part of Winnipeg' s Folklorama. We are hoping that our pavilion will, as in past years, be one of the most popular destinations.

Again this year I would like to recognize the efforts of the board of directors and, in particular, the staff and volunteers of the Chinese Cultural Centre. The Cultural Centre' s success is due entirely to their efforts.

EXECUTIVE DIRECTOR'S REPORT

2003 is a special year for me. I ran into the Winnipeg Chinese Cultural and Community Centre a year ago as I had been in Winnipeg for several months. I got the chance to know Dr. Joseph Du, Ms. Lan Doan and Dr. Hermann Lee at the interview, and finally became the assistant of Ms. Lan Doan. I would like to thank them for giving me the chance to serve the Chinese community, trusting me, and always helping and supporting me during the following days and months.

Year 2003-2004 is a busy year for the Centre. In September 2003 the Centre hosted the 12th Annual General Meeting of the National Congress of Chinese Canadians, which attracted more than 120 delegates from across Canada; in November 2003 held the biannual Golden Dragon Fundraising Dinner with over 500 guests at the Winnipeg Convention Centre; and in January 2004 co-organized with the Manitoba Great Wall Performing Arts Inc. (MGPAI) the Chinese New Year Performance at the Burton Cummings Theatre. The success of these events shall be contributed to the hard work of all staff members, the huge support from the board directors, and the enormous contribution from our dedicated volunteers.

In addition to offering our traditional programs and activities, we focused more on the settlement of new immigrants in year 2003-2004. We invited Ms. Cynthia Stewart from Manitoba Labour and Immigration to host an introduction meeting to new immigrants in July 2003. We organized workshops and provided venue for new immigrants to know each other and share their experience. We have also been running an English Conversation Class in conjunction with the International Centre on every Saturday morning since November 2003. When any need arose from new immigrants, our staff members tried their best to help them: helping them to find a proper apartment, directing them to resources who would possibly help them to get a job, acting as interpreters, and providing information about social services and support programs.

I thank Dr. Joseph Du, the Centre's president, and the Board of Directors, for their continuous support. Particularly, I am greatly thankful to Ms. Lan Doan, who is always there to help and support me. Furthermore, my thanks go to our funders and donors. Without them, the Centre would not exist.

Respectfully submitted by Yi Feng

She also answered questions from the audience.

Introduction Meeting for New Immigrants

The Centre hosted a workshop facing new immigrants on July 19, 2003. Ms. Cynthia Stewart from the Manitoba Labour and Immigration was invited to the workshop to introduce information such as things-to-

do after coming to Canada, services for new immigrants offered by different organizations, and so on. Workshop for New Immigrants

New immigrants were invited to the Centre on Nov. 29, 2003 and shared their experience on adapting to a new environment, adjusting concepts, finding jobs, and so on. It was an excellent chance for newcomers to get to know each other and help each other.

EVENTS

Asian Heritage Month

The centre attended the opening ceremony for the Asian Heritage Month on May 3, 2004. We set up a display table with Chinese crafts and books. We also involved in the celebration by sending volunteers to help the organizers.

12th Annual General Meeting of the National Congress of Chinese Canadian

The Winnipeg Chinese Cultural and Community Centre organized and hosted the 12th annual general meeting of the National Congress of Chinese Canadian on Sept. 12 - 14, 2003. In the afternoon on Sept. 12, delegates to the conference, representatives from three-level government, and Madam Xiaoling Chen, Consul General of the People's Republic of China in Toronto, attended the unveiling ceremony of the terra cotta warrior with horse, gift from China for the 20th anniversary of the Centre and the opening ceremony of Mr. Louis Lee's photo exhibition. Lieutenant Governor Hon. Peter M. Liba hosted a reception for delegates from across Canada at the Governor's House in the evening on Sept. 12, 2003. During the two-day conference, delegates discussed a wide range of topics including Settlement of New Immigrants and New Immigration Law, 145 Years of Chinese History in Canada, Impact of SARS, Chinese Canadian's Participation in Politics, Canadian Museum for Human Rights, Community Issues, Head Tax, and so on.

High profile speakers have been invited to the conference: Senator V. Poy, Minister G. Mar and M.P. I. Mark. As a key-note speaker, Senator V. Poy emphasized on the History of Chinese Canadians with Special Reference to Head Tax, asking young people to shoulder responsibilities and

participate in politics. She also proposed several questions for discussion, such as, Do Chinese nationals have the right to compensation when another government tried to prevent them from entering the country? If conditions had been better in China, would we be here discussing the Head Tax? In order that past mistakes are not repeated, future generations must know the truth about Canadian history. Would education not be the key to solving the problem? Since education is a provincial responsibility, is it not up to all of us to make sure that accurate history is taught in our schools and in our homes? Madam Xiaoling Chen, Consul General of the People's Republic of China in Toronto, attended the opening ceremony and brought greetings to the conference.

On the last day of the conference, the Centre, with the support from the City of Winnipeg, organized a city tour for out-of-town delegate. The conference received great attention from several media such as National Post, Winnipeg Free Press, CBC Radio, and CKY News.

and birds, and historical relics were displayed. Most of Mr. Lee's photos were linked up with Chinese poems and proverbs to express and convey some aspect of Chinese cultural history. Golden Dragon Citizen of the Year Award Dinner 2003

Every two years the Winnipeg Chinese Cultural and Community Centre hosts a Golden Dragon Citizen of the Year Award Dinner to award two Winnipeggers who have made great contribution to the local communities. In year 2003, the event took place at the Winnipeg Convention Centre on November 5, 2003. The honorees are two outstanding Manitobans, Dr. Emóke Száthmary, President of the University of Manitoba, and Dr. Hermarn Lee,

prominent Orthodontist, who have demonstrated outstanding leadership in the field of education. Both of them gave wonderful speeches and received a lot of applaud from the over 500 attendants.

The success of the event depends not only on the hard work of all the committee members and the staff members of the Centre, but also on the contribution from several worth-mentioned volunteers: Mr. Frank Tsang, who spent a lot of time and several nights on arranging and preparing table tags; Ms. Anita Lee, who involved herself in the preparation and organizing from the very beginning; Ms. Lan Doan, Ms. Tina Chen, and Ms. Shirley Chang, who acted as receptionists for guiding guests...

Chinese New Year Performance 2004

With the support from the Manitoba Arts Council, Winnipeg Arts Council, Canada-China Friendship Association, and several companies in Winnipeg, the Manitoba Great Wall Performing Arts Inc. (MGPA) and the Winnipeg Chinese Cultural and Community Centre successfully hosted the 2004 Chinese New Year Performance at the

Burton Cummings Theatre on January 24, 2004.

The celebration started with greetings from representatives from the provincial government and the city of Winnipeg. Traditional lion dance and folk dance "The Good Days" with happy and brisk rhythm brought out atmosphere of happiness and cheerfulness for New Year celebration. The three-hour performance with over 1000 audience was full of surprisingly high quality presentations. Charmingl naïve children in the children' s dance "Returning from the Country Fair" received a lot of applaud from the audience; Traditional instrumental music "Happy Holidays" from young and talented performer Ms. Yi Zhang brought people into a joyful world of celebration; Flute solo from the established artist Mr. Xiaonan Wang kept people on the seat edge; folkloric dances from the MGPA dance group showed a different world of ancient China and the beauty of the culture from minorities in China; Chinese ethnic dress show guided the audience a colorful and charming tour to different ethnic groups in China; Wu Dang & Tai Chi Sword from Mr. Lei Shao presented the spirit of Chinese culture: harmony, tranquility and balance... The performance ended with a theme song "Come Home Often for a Visit" , expressing a dedicated dearness within family members and best wishes to every one.

There were more than 60 performers attending the show. Among them there are well-established artists from China, young generation who were born or grew up in Canada, and enthusiastic amateurs. The Chinese New Year celebration 2004 was an excellent opportunity for these dedicated people to refine their skills and demonstrate their uncommon brilliance. We are happy to see a lot of youth taking part in the event and having the chance to perform on a much bigger stage. An inspiring phenomenon after the performance is that more and more youth are attracted to the Chinese performing arts. Furthermore, the success of the performance encourages and motivates all performers to continue their journey of maintaining Chinese culture and arts as well as contributing to the diversified cultural world of Winnipeg. The performance has also caught enormous attention from local newspaper, radio station and TV channels. Winnipeg Free Press, CBC radio, CTV and A Channel reported the event around Chinese New Year time.

A big Thank You to our supporters!

ENGLISH FOR SENIORS PROGRAMME 2003 – 2004

The Winnipeg Chinese Cultural and Community Centre (WCCCC) supports the very successful English as a Second Language (English for Seniors) programme run by Age and Opportunity (A&O). The Manager of the Programme is Lan Doan.

This ESL programme is designed to help people who are fifty-five years of age and above and who are formerly from overseas to learn English. The aim is to help these Canadian Residents integrate into our multilingual and multicultural society. By learning one of Canada's two official languages they will be able to benefit from the many social services available to aid Senior Citizens as they become in need of support.

There are three (3) classes supported by the WCCCC which are run at two (2) locations:

1. **Smith Street Senior Centre: 185, Smith Street in Downtown Winnipeg.**
(Morning class)
At this Centre, during the fiscal year 2003-2004, a Beginner/Intermediate class was run. Kathy Sawatsky teaches a class average of sixteen (16) Beginner/Intermediate students on Tuesdays and Fridays.
2. **Smith Street Senior Centre: 185, Smith Street in Downtown Winnipeg.**
(Afternoon class)
At this Centre, during the fiscal year 2003-2004, a Beginner/Intermediate class was run. Theresa Dong teaches a class average of some twenty (20) Beginner/Intermediate students on Tuesdays and Wednesdays.
3. **Age and Opportunity Head Office, 200-283 Portage Avenue in Downtown Winnipeg.**
(Morning class)
At this location, during the fiscal year 2003-2004, an Advanced class was run. Shannon MacFarlane teaches a class average of fifteen (15) students on Tuesdays and Fridays.

All participants enjoy a variety of activities. These include visiting speakers representing a variety of interests such as talks by the Winnipeg Police, Fire and Paramedic Services, Citizenship and Immigration Services etc. Practical lessons are conducted in English outside the classroom in such topics as travelling on public transport and shopping in supermarkets. Visits are also made to public buildings such as the Manitoba Museum, the Government Mint and the Art Gallery in Assiniboine Park. These lessons encourage students to meet people in situations they are likely to encounter in their daily lives. This helps them integrate into society as a whole. It also encourages them to use their newly acquired language skills whereby they learn more about Canada, make new friends and enjoy an enhanced quality of life. Of the more than fifty (50) students in both locations, most have come from China and Vietnam but are joined by students from Russia, Eastern Europe, Africa, the Indian sub-continent and the Middle East.

AUDITORS' REPORT

To the Members of
Winnipeg Chinese Cultural and Community Centre Corporation

We have audited the statement of financial position of Winnipeg Chinese Cultural and Community Centre Corporation as at March 31, 2003 and the statements of changes in fund balances, operations and cash flows for the year then ended. These financial statements are the responsibility of the corporation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many charitable organizations, the corporation derives revenue from fund-raising activities and donations, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues and expenditures was limited to the amounts recorded in the records of the corporation and we were not able to determine whether any adjustments might be necessary to fund-raising revenue, expenditures, donation revenue, excess of revenues, assets and fund balances.

In our opinion, except for the effect of any adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the fund-raising and donation revenue referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the corporation as at March 31, 2003 and the results of its operations and the changes in its cash flows for the year then ended, in accordance with Canadian generally accepted accounting principles.

CENTRE CORPORATION**

**NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2003**

1. NATURE OF THE ORGANIZATION

The corporation is a non-profit, non-partisan and non-sectarian entity incorporated under The Corporations Act of Manitoba. It is a registered charity within the meaning of the Income Tax Act and is therefore exempt from income taxes and may issue income tax receipts to donors.

The purpose of the corporation is: to promote and advance the knowledge and appreciation of Chinese culture in relation to the multicultural mosaic of Manitoba and Canada; to construct, hold, manage, provide and maintain a cultural centre; to increase understanding between Chinese organizations in Manitoba; and to encourage public understanding of matters relating to the affairs of the Chinese community.

2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the corporation have been prepared in accordance with Canadian generally accepted accounting principles. Because a precise determination of many assets and liabilities is dependent upon future events, the preparation of financial statements for a period necessarily involves the use of estimates which have been made using careful judgement. The financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

(a) Fund Accounting

These financial statements were prepared using the accrual basis of accounting.

The corporation follows the deferral method of accounting for contributions.

Revenues and expenses related to program delivery and administrative activities are reported in the Operating Fund.

The Capital Fund reports the assets, liabilities, revenues and expenses related to the organization's capital assets and building expansion campaign.

(b) Temporary Investments

Temporary investments are stated at the lower of cost and market value.

(c) Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is generally determined on a first-in, first-out basis.

WINNIPEG CHINESE CULTURAL AND COMMUNITY
CENTRE CORPORATION

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2003

2. SIGNIFICANT ACCOUNTING POLICIES, continued

(d) Capital Assets

Donated capital assets are recorded at fair market value. Purchased capital assets are stated at cost. The capital assets are amortized over their estimated useful life using the declining balance method as follows:

Building and building improvements	5%
Computer equipment	30%
Equipment under capital lease	10%
Furniture, fixtures and equipment	10%
Leasehold improvements	10%

Amortization is recorded in the Capital Fund.

(e) Deferred Grants

The deferred grants were received during 1987 to 1990 for the construction of the Cultural Centre. These grants are being amortized into revenue on the same basis that the amortization of the building is being charged to expenses; that is, on the declining balance method at a rate of 5% per annum.

(f) Revenue Recognition

Restricted contributions are recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue of the appropriate fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue of the appropriate fund in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

(g) Contributed Materials and Services

Contributed materials which are used in the normal course of the corporation's operation and would otherwise have been purchased, are recorded at their fair value at the date of contribution if fair value can be reasonably estimated. Volunteers contribute a significant number of hours annually to assist the corporation in carrying out its service delivery activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.
