

## Royal Manitoba Theatre Centre presents: **NINE DRAGONS**

This fall, world premiere production **NINE DRAGONS** opens the Tom Hendry Warehouse (140 Rupert Avenue at Lily Street).

An original crime story set in 1920's Hong Kong, this whodunit is as much an exploration of cultural identity as it is an entertaining thriller.

Battling racism and his own reputation, Chinese detective Tommy Lam investigates the deaths of several women. With a suspected serial killer in his sights, Tommy follows clues to the glamorous Nine Dragons nightclub and into the haze of the opium trade. In his relentless quest to prove himself and protect his people, Tommy risks losing everything - his relationship, his badge, even his life.
